

The Slabtown

Durable Laminate & All the Style

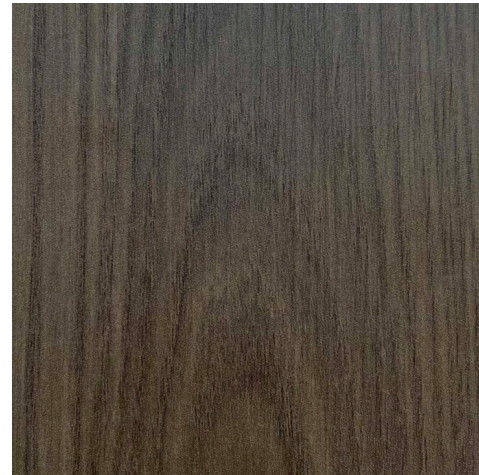

Kokeena's The Slabtown is a textured laminate slab door available in 7 colors.

It is constructed using a recycled wood substrate with a thermally fused 3D textured laminate on the faces and matching edge-banding all around.

The Slabtown

This is a single-piece, slab-style door that is thermally fused 3D laminate on two sides with a matching textured edge-banding on four sides. At the core is a recycled wood substrate (not MDF), which is highly moisture resistant and has unsurpassed sustainability credentials.

Attribue	Detail
Materials	Thermally Fused Laminate composite panel
Grain Direction	Vertical grain is standard
	Horizontal grain available with consultation
Grain Matching	All doors on a single unit are matched
	Matching across units available with horizontal grain, up to 96" along the run

Max Door Height	60"
Boring	Bored for IKEA SEKTION Other Systems on Special Request
Trim / Panel Thickness	3/4"
Toe Kick Thickness	3/4"
Custom Sizes Available?	Yes, consultation required

Door & Drawer Construction

3/4" NAUF high-density recycled wood substrate, thermally fused 3D laminate both sides, with matched textured edge-banding.

Grain Direction & Matching

Vertical grain is standard, and all doors/drawers on a single cabinet unit are grain-matched by default. Matching across units and horizontal grain orientation are available with a consultation.

End Panels

3/4" NAUF high-density recycled wood substrate, thermally fused 3D laminate both sides, with matched textured edge-banding.

Filler & Toe Kick

Filler / trim strips are laminated both sides and edge-banded. Toe kick is laminated on two sides.

Adhesives

Low- or no-VOC adhesives. The specific formulations may vary depending on availability.

Sizes

All door / front sizes, and a standard set of end panels and trim are available and priced for the SEKTION system. Doors and drawer fronts come pre-bored and ready to install on the hinges and drawers that come with IKEA's cabinets.

Custom sizes, including for other IKEA systems, available on request.

Warranty

2 year standard warranty. See full warranty details at kokeena.com/standard-warranty.
